A Few Words from **Kerry Painter**
President & General Manager,
Niagara Convention & Civic Centre

President's Message

Four and a half hours of filming for four minutes of video! That's the attention to details paid by the **FAMTripTV.com** crew to feature the **Niagara Convention & Civic Centre** in their upcoming virtual meeting planner Niagara visit. We were honoured that Niagara was chosen as their destination of choice from anywhere in the world. These broadcast quality HD webisodes, featuring meetings specialist **Jennifer Wood CMP**, are made available online to thousands of conventions & meetings planners. Visit FAMTripTV.com to see for yourself. Speaking of 'seeing for yourself', have you looked at our [Construction Cam](#) lately? Currently, work on the roof is rapidly progressing, both enclosing the large exhibition hall and giving shape of how truly magnificent the Centre is soon to be. Conversations are now taking place daily regarding our upcoming **UnBirthday!** (watch for our next newsletter) and the Grand Opening to follow before you know it! Just like a rollercoaster, it always starts slow--and people hope it will be so--then it rushes over the first hill picking up speed, zooming and spinning to where we are now: closing conventions, cheerleading competitions, corporate events and consumer shows daily! Niagara residents are going to have many reasons, in the near future, to enjoy their new facility.

Design YOUR DAY Contest!

Well over a month since the Niagara Convention & Civic Centre announced its '[Design YOUR DAY Contest](#)' and the response from 'brides-to-be' has been tremendous. Are you engaged? Did you get a ring for Valentine's Day? For those who have not had the opportunity to submit their name, the NCCC is inviting future brides to send a completed registration form or to register online. Ten entrants will be chosen randomly in a draw later this summer and will be invited, along with her trusty team of 'three helpers' (ie. bridesmaids, groom, mother), to take part in cake decorating competition in Niagara Falls, Canada on Saturday, October 2, 2010. A panel of judges, among them Food Network Canada celebrity **Chef Anna Olson** ('Sugar', and 'Fresh with Anna Olson'), will weigh the merits of each team's creative handiwork. The winning bride will be awarded a wedding package worth \$20,000! Who says, 'you can't have your cake and eat it too'?

ABOVE - On their way back to the NCCC offices, from a very successful meeting, Sales Managers (L-R) **Shannon, Kayley, and Missy** pick up Starbucks' coffee and lattes for everyone.
